

LEDYARD NATIONAL BANK ANNOUNCES NEW LOAN PRODUCT

Mar 4, 2014

Ledyard National Bank has introduced a new loan product to its list of offerings. The new product is a Manufactured Home Loan and is designed to offer a great rate and unique service experience to new or existing borrowers who have a maximum household income of \$55,000 for New Hampshire residents or \$50,000 for Vermont residents. The loan can be used to purchase a new manufactured home or refinance one at a low rate. Interested prospects can call Ledyard or stop in at any branch to learn more and apply.
